

How to get to B&B Cala del Rio from the port of Capri

We operate a free shuttle service until 22.30. After this time, the service is available by reservation only. If you decide to make your way to the hotel by public transport, give us a call as soon as you board the bus and we'll come and wait for you at the last stop (Piazza Caprile).

Bus: you can purchase tickets for buses and the funicular train from the office to the right of the docks. You can catch direct buses to Anacapri from the bus stop close to the ticket office. If you arrive in low season, bear in mind that direct buses to Anacapri are few and far between and, if you have to wait any length of time, it may be quicker to take the funicular train to Capri and from here catch one of the more frequent buses to Anacapri (the main bus terminal in Capri lies within easy walking distance of the funicular station).

Get off the bus at the very last stop, in Piazza Caprile. We'll wait for you there.

Taxi: taxis (often open top models) wait for passengers by the docks. The taxi ride will take about twenty minutes.

A word of warning: there are two types of taxi operating on the island of Capri, one large and one small. Larger vehicles will not be able to accompany you all the way to the door of the B&B and the driver will have to leave you at the entrance gate. "Nissan Serena" taxis can drive right up to the door of the hotel.

How to get to B&B Cala del Rio from the center of Anacapri

The center of Anacapri is about 1,5 km (a 20 minute walk) from the hotel. The road is quite steep (especially if you are walking from the B&B towards the center) and, for this reason, we are always happy to accompany our guests as far as the main bus stop (a 3minute car journey).

From the bus stop, the historic center of Anacapri is just a pleasant 5 minute stroll away.

If you fancy a night out on the town and want to travel around independently, we suggest you rent a scooter – that way you can stay at our peaceful B&B and, at the same time, enjoy the glitz and glamour of Capri whenever you choose!

Hydrofoils and ferries to Capri depart from **Naples and Sorrento**.

In the summer months, sea crossings are also available from **Positano, Amalfi, Salerno** and the **island of Ischia**.

Times of crossings are subject to variation and it's always a good idea to check the hydrofoil and ferry schedule before you travel to the port.

<http://www.capri.net/en/ferry-schedule>

How long will the journey take?

From Rome airport: minimum 3 hours (traveling by fast train and without missing a single connection)

From Naples airport: 90mins

From Sorrento: 30mins

How long does the boat trip from Naples to Capri take?

Ferry: 80 minutes

Fast ferry: 50 minutes

Hydrofoil: 40 minutes

Fast options:

-  Car transfer direct to the port
-  Private boat transfer
-  Helicopter transfer

If you are interested in any of the above, let us know, we'll be happy to organize your transfer for you!

There's no need to book ferry or hydrofoil tickets in advance. This said, if you are traveling in the peak holiday months of July and August, you can expect to have to queue significantly longer before boarding. For much of the year, you will be not able to take your car to Capri. In any case, the island is largely pedestrian and a car is of very little use here.

Getting to Capri from Rome

From Roma Fiumicino Airport: from Fiumicino airport, the quickest way to reach Rome's main Roma Termini railway station is by the Leonardo Express train.
From Roma Termini, you'll need to take a train to Naples.

There are three categories of train:

- **Eurostar Freccia Rossa (TAV):** by far the fastest option, the journey between Rome and Naples by Freccia Rossa train takes little more than an hour. Tickets cost circa 40.00 euro.
- **Intercity:** the journey Rome- Naples by Intercity takes about two hours. Tickets cost about 20.00 Euro.
- **Interegional:** with tickets costing just over 10.00 euro, the Interegional train is the cheapest choice. The downside is that the journey Rome-Naples takes a whopping four hours.

From Roma Ciampino Airport: take a bus to Rome's Roma Termini railway station and proceed as above.

You can expect to take at least three hours to reach **Capri from Rome**, considerably longer if you happen to miss a connection.

Getting to Capri from Naples

Naples has two ports from where to catch boats to Capri: **Molo Beverello** and **Calata di Massa**. Molo Beverello is situated directly opposite the city's Maschio Angioino castle. Calata di Massa lies just slightly to the East (i.e. to your left when you face the sea).

Hydrofoils depart from Molo Beverello, fast ferries and **ferries** depart from Calata di Massa. Vehicles are transported by ferry or fast ferry only.

Times and prices change frequently: always check crossing times before heading to the port.

Getting to Molo Beverello from Naples' Capodichino Airport

Bus: immediately outside Terminal 1 (where all incoming flights land) you'll find the Alibus: the coach which takes passengers to the center of Naples and stops at both **Piazza Garibaldi** and **Piazza Municipio** (this latter only a three minute walk away from Molo Beverello). The journey takes approximately 40 minutes.

Taxi: the taxi stand is located outside Terminal 1. Ask the driver to apply the fixed rate to the port (approximately 20.00 euro). Avoid anybody offering taxi services inside the airport: we guarantee they will not be licensed taxi drivers.

Getting to Molo Beverello from Naples' train station

Take a taxi! Although buses and trams run regularly from the train station to the port, they are always extremely crowded and there is no way of knowing when to get off. In addition, you will need to cross the entire piazza to reach the bus stop. The fixed taxi fare to the port is about 10.00 euro.

Getting to Capri from Sorrento

Hydrofoils and ferries depart from **Sorrento's Marina Piccola port** on a regular basis. The journey takes less than 30 minutes and crossings are frequent, especially so in the summer season.

You can catch a bus to the port from the center of Sorrento, or make your way on foot, walking down the steps which start in **Piazza Tasso**.

Top tip

Hydrofoils from Sorrento to Capri sail along one of the most beautiful stretches of coast imaginable: sit on the left-hand side of the boat to get the best views!
